

Britannica International School Budapest

an Orbital Education School

1st October 2021

Dear Parents

International Day 15th October 2021

On the 15th October, we will be celebrating International Day at Britannica.

Our parent volunteers are organising an 'International Food Court' for all students in primary and secondary.

Our primary department will be celebrating with two performances during the morning – one for Year 1-3 and the other for Years 4-6. Parents are warmly invited to attend via a live stream.

Year 6 will also be performing a flag parade around the school.

Our secondary department will be organising a Discovery Day with the theme of Space

In addition to this *all adults and children are invited to dress up in their national costumes as this is a 'non-uniform' day*. The day celebrates our cultural diversity as we enjoy being global citizens learning together.

Timings

08:20 Registration for ALL Students

Primary
